Not sure what private tour is suitable to you? Please contact us and let us know what you are interested. We will design your itinerary according to your preference and here are some ideas for you.

HALF DAY OR FULL DAY PRIVATE CUSTOMIZED TOUR

If you are taking a half day tour and would like to include a food stop we recommend taking 5-hours and 8 hours for the full day tours is recommended.

At the beginning of the journey, your private tour guide will meet you at your hotel or any other place before the tour you think you will be there. If you have not been to Hong Kong before and have no preferences, we will recommend you a comprehensive city tour of Hong Kong. We will visit a mix of areas of both Hong Kong and Kowloon and will focus on exploring back streets, local neighborhoods and learning about the culture and history of Hong Kong.

We can combine some of the must see attractions like Victoria Peak with the tram ride to the top for the excellent panoramic view and riding the Star Ferry with something a little more off the beaten track.

If you are a foodie but not able to afford your time for a separate full foodie tour, we can combine foodie elements into your tour to ensure you still get a wonderful mouthwatering taste of our local delicacies. We can arrange visits to 1-2 family-run tasting food stalls featuring Hong Kong's classic food and drinks in the business district of Central and its neighbor - Sheung Wan, from a noodle shop to a local bakery – for tastings both savory and sweet!

If you would like to get a piece of rare Ming dynasty furniture, an ancient snuff bottle or some fine wooden handicrafts, a visit to the Upper Lascar Row (known as Cat Street) is where you must not be missed. This is the place you can find such treasures within its fantastic congregation of antique dealers, curio merchants and art galleries. If you are interested in buying jade, silk products and embroideries, this is also the area you should visit.

If you would like to pick up some souvenirs en route, we can show you our favorite markets like Ladies Market or Fa Yuen Street on Kowloon side. Or perhaps if you have something specific which you would like to buy, let us know and we will make sure that you do not leave Hong Kong without it.

Or, if you are photo shooting lovers and would like to visit the most photogenic locations.... Whatever you prefer, we will ensure that your customized tour is exactly what you are looking for.
